

# PLAYER PASS RETRIEVAL PROCEDURE DUE TO LOSS FOR RED CARD PENALTY

## 2003 Season

A player and their coach, along with an assigned referee, needs to fill out one "red card penalty verification sheet" for each game that the player is penalized as a result of the red card penalty. A player may assume that the penalty is the standard one game suspension unless the coach or travel coordinator of the affected player is notified by the discipline committee chairman, Ray Thompson, that additional penalty time must be served. **RED CARDS FOR VIOLENT BEHAVIOR CONTINUE AT THE TWO GAME PENALTY.**

There are three ways that the player pass may be picked up:

- 1) The "red card penalty verification sheets" can be mailed to:  
Ray Thompson  
6182 Clarence Lane North  
East Amherst, NY 14051

You must include a self addressed stamped envelope and the player pass will be mailed back to the coach.

- 2) The "red card penalty verification sheets" can be dropped off at Ray's house and he will return the player pass to the coach by making arrangements for this procedure. Ray's phone number is 741-9331
- 3) On the first Thursday of every month, the "red card verification sheets" can be brought to Sportsplex during the times that the general BWNYJSL meetings are being held. Be sure to call Ray ahead of time so that he will have the player pass available for you.

Player passes will only be returned after the "red card penalty verification sheets" have been completed and turned in to Ray. The "red card penalty verification sheets" are available on the web site in the fact pack or through your travel coordinator.
